WiFi Expert will be Authorized Reseller in USA of the Sunhans brand

Sunhans and WiFi Expert LLC have reached an agreement whereby WiFi Expert LLC becomes Authorized Reseller in US.

WiFi Expert LLC are specialize in WiFi and RF accessories. They specialize in RF cables assemblies as well as High Gain antennas manufacturing. They offer lowest prices on their selection of WiFi accessories and router Mod Kits. Find Mod Kits for latest and newest routers as well as hard-to-find older models including Linksys, Asus, Netgear and many more. Shop for WiFi Antennas, U.FI cables, adapters and more.

Sunhans is the brand of WiFi amplifiers recognized worldwide for their quality products and perfect synergy with UAV, IP cameras, routers, AP, and many of other products. For the past two years Sunhans has been recognized as the leader in high quality and low price WiFi boosters and mobile phone repeaters. The factory is located in China where exhaustive quality controls guarantee that both the proper function and appropriate presentation are made. Sunhans products are produced by a large manufacturer with 7 years experience and exponential growth each year.

WiFi Expert and Sunhans look forward to many years of offering our customers quality wireless solutions and excellent technical support.
